- Durable exterior material with soft interior lining for screen protection
- Multiple pockets for cables and accessories

Overview

Designed for on-the-move individuals who prefer to carry only the minimum to keep in touch and informed, the V7 Attaché Slim case is no bigger than necessary, yet has all the features you need with eye catching style and great protection for your iPad or Tablet PC. Key features include holding an iPad or Tablet PC with up to a 10.1-inch screen, front and back pocket slits to comfortably carry power cords and accessories as well as other devices and paperwork. The V7 Attaché is perfect for the mobile minimalists who carry their technology with them from home to the office, on a business trip or to the local coffee shop. Each V7 Attaché is designed to meet your transport needs by providing a protective, innovative carry option for your device and its accessories.

iPad is a trademark of Apple Inc., registered in the U.S. and other countries.

High Quality Protection

The rugged 300-denier polyester material allows the Attaché Slim Case to shield against everyday wear and scratches, and absorbs impact without adding bulk. The black material color with grey interior delivers adequate protection for daily iPad or tablet use as well as adding a touch of style. And its 0.61lbs of light weight means you can carry it anywhere.

Built for iPad and Other Tablets

The V7 Attaché Slim Case is designed especially for the iPad and other tablet computers with screens up to 10.1 inches. Its slim design features a soft inner lining for screen protection, as well as multiple compartments for cables and accessories and a sturdy handle for easy carrying.

Apple, iPad, and MacBook are trademarks of Apple Inc. registered in the U.S. and other countries.
